THIS TERMINATION OF SECURITY AGREEMENT (this "Termination") is made as of July 25, 2006 by and between XYRON, INC., an Arizona corporation ("Grantor"), and JM STOCKHOLDER REPRESENTATIVE, LLC, acting in the capacity of Stockholder Representative for the benefit of the Stockholders and Optionholders ("Secured Party"), with reference to the following recitals:

RECITALS

R-1. Grantor and Secured Party entered into that certain Security Agreement, dated as of December 5, 2003 (the "Security Agreement"), whereby Grantor granted to the Secured Party a security interest in certain assets of Grantor as security for certain obligations of Grantor's parent corporation, all as more particularly set forth in the Security Agreement.

R-2. The obligations secured by the Security Agreement have been satisfied in their entirety, and Grantor and Secured Party desire to terminate the Security Agreement as set forth herein.

R-3. Terms not otherwise defined in this Termination shall have the meanings given in the Security Agreement.

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Secured Party, intending to be legally bound, do hereby agree as follows:

1. Recitals. The foregoing recitals are incorporated in and are part of this Termination.

2. Termination.

(a) Termination. The Security Agreement shall be, and is hereby, terminated in all respects as of the date hereof, so that the Security Agreement shall be deemed to be of no further force and effect hereafter. Grantor and Secured Party, as of the date hereof, shall be and are hereby each fully released and discharged from any and all obligations and claims under the Security Agreement after the date hereof.

(b) Filings. Grantor is hereby authorized to prepare and file any termination statements for, or otherwise terminate, any public filings evidencing the Security Agreement, without further consent by Secured Party including, without limitation, preparing and filing a termination statement on form UCC-3 terminating the effectiveness of any filed financing statement, and filing a copy of this Termination in the records of the United States Patent and Trademark Office against any relevant intellectual property (including but not limited to the intellectual property in the attached schedule). Secured Party hereby agrees to furnish any

information requested by Grantor necessary or desirable for such terminations and to exercise such further assurances as may be requisite.

3. Authority. Each of the persons executing this Termination on behalf of Grantor and Secured Party hereby covenants and warrants to the other party that Grantor or Secured Party, as the case may be, has full right and authority to enter into this Termination, and that the person signing on behalf of Grantor or Secured Party, as the case may be, is authorized to do so.

4. Counterparts. This Termination may be executed in multiple counterparts, each of which shall be an original, but all of which shall constitute one and the same Termination.
