ASSIGNMENT OF INVENTION

WHEREAS, I, Benedict Chua, residing at 20 Oxford Road, Unit 01-16, Singapore 218815, along with Wu Zhao Lian, have made a certain new and useful invention in the SECURITY TAG ADAPTER FOR CONTAINERS, and am about to apply for Letters Patent of the United States based thereon;

WHEREAS, I, Benedict Chua, was an employee of CHECKPOINT SYSTEMS, INC., at the time that the invention was made;

WHEREAS, CHECKPOINT SYSTEMS, INC., a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, and having an office and place of business at 101 Wolf Drive, Thorofare, New Jersey 08086, is desirous of acquiring the entire right, title and interest in and to the invention and all improvements thereon which may be made, conceived or acquired by me during the course of my association with CHECKPOINT SYSTEMS, INC., and for one year thereafter, in and throughout the United States, its territories and all countries foreign thereto, and in and to said application for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Benedict Chua, by these presents do sell, assign and transfer unto the said CHECKPOINT SYSTEMS, INC., my entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto in and to said invention and any improvements thereon which may be made, conceived or acquired by me during the course of my association with the said CHECKPOINT SYSTEMS, INC., and for one year thereafter, in and to said application for Letters Patent and any and all Letters Patent and extensions thereof of

the United States and countries foreign thereto which have been or may be granted on said invention or any part thereof, or any improvements thereon or on said application, or any divisional, continuing, renewal, reissue, or other application and all international priority rights associated therewith, based in whole or in part thereon, or based upon said invention, or any improvements thereon;

TO BE HELD AND ENJOYED by the said CHECKPOINT SYSTEMS, INC. and its legal representatives and assigns to the full ends of the terms for which said Letters Patent, or any of them, have been granted or may be granted as fully and entirely as the same would have been held and enjoyed by me had no sale and assignment of said interest been made; and I do hereby authorize and request the Commissioner for Patents to issue any and all Letters Patent which may be granted upon the said invention above referred to, or any of them, or upon said invention or any part thereof, conceived or acquired by me during the course of our association with the said company and for one year thereafter, to said CHECKPOINT SYSTEMS, INC., and I hereby agree for myself, my heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by CHECKPOINT SYSTEMS, INC., fully to secure to the CHECKPOINT SYSTEMS, INC. its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to said several Letters Patent, or any of them.

I do hereby covenant for myself, and my legal representatives, and agree with CHECKPOINT SYSTEMS, INC., and its legal representatives, that I have granted no license to make or sell the said invention, that prior to the execution of this deed our rights, title and

interest in the said invention have not been encumbered, that I then had good right and title in and to the invention and that I have not executed and will not execute any instrument in conflict therewith.

IN WITNESS WHEREOF, I have hereunto affixed my hand and seal this 22nd day of August, 2006.
