

ASSIGNMENT OF PATENT APPLICATIONS

WHEREAS, Andy S. Vong of 927 Amoroso Place, Venice, California 90291 (hereinafter referred to as the "INVENTOR"), has created certain new and ornamental designs (hereinafter referred to as "DESIGNS"), which are retained in the patent files of his attorney and which DESIGNS have been covered by design patent applications, the identities of which are listed in the Appendix A that is attached hereto and made a part hereof:

WHEREAS, the INVENTOR now wishes to assign his patent applications to True Seating Concepts, L.L.C., (hereinafter "TRUE SEATING CONCEPTS") a limited liability company of Mauritius having a principal place of business located at Suite 802, St. James Court, St. Denis Street, Port Louis, Mauritius.

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, said INVENTOR has sold, assigned, and transferred and by these presents does sell, assign, and transfer unto TRUE SEATING CONCEPTS, and to its successors and assigns, the entire right, title and interest in and to said patent applications and any continuations, divisions, reissues and reexaminations thereof for the territory of the United States of America and for all foreign countries, said DESIGNS and applications to be held and enjoyed by TRUE SEATING CONCEPTS for its own use and enjoyment and for the use and enjoyment of its successors and assigns, to the full end of the term for which Letters Patents on same will be granted, as fully and entirely as the same would have been held by said INVENTOR had this assignment and sale not been made.

Said INVENTOR hereby covenants that he has the full right to convey the entire interest herein assigned, and that he has not executed, and will not execute, any agreement in conflict herewith.

Said INVENTOR further covenants and agrees that he will communicate to TRUE SEATING CONCEPTS and to its successors and assigns any facts known to him respecting said DESIGNS, and at no expense to himself, testify in any legal proceeding, sign all applications, make all rightful oaths, and generally do everything reasonable to aid TRUE SEATING CONCEPTS and its successors and assigns to obtain and enforce proper patent protection for said DESIGNS in all countries.

Said INVENTOR acknowledges that this Agreement does not apply to any invention which qualifies fully under the provisions of Section 2870 of the California Labor Code, which states that:

Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

1. Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer.
2. Result from any work performed by the employee for the employer.

IN TESTIMONY WHEREOF, I have executed this Assignment below.
