ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, I, the undersigned,

Hereby sell, assign and transfer to Inter IKEA Systems B.V.

a corporation of The Netherlands, having a place of business at Olof Palmestraat 1, NL-2616 Delft, The Netherlands, its successors, assigns and legal representatives, the entire right, title and interest in and to any and all inventions which are disclosed and claimed, and any and all inventions which are disclosed but not claimed, in a United States patent application Serial No. 10/562,178 and entitled

MACHINE FOR SLITTING PLANE PACKAGING BLANKS

and in and to said application and all divisional, continuing, substitute, renewal, reissuc, and all other applications for U.S. Letters Patent or other related property rights which have been or shall be filed on any of said inventions disclosed in said application, including all priority rights; and in and to all original and reissued patents which have been or shall be issued on said inventions;

Authorize and request the Commissioner of Patents of the United States to issue to said Assignee, the corporation above named, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said inventions or any of them disclosed in said application;

Agree that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will execute all divisional, continuing, substitute, renewal, reissuc, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of
