**ASSIGNMENT**

**Whereas**, CHICAGO PT, L.L.C., of 2510 Gross Point Road, Evanston, Illinois 60201 (hereinafter referred to as Assignor), is the sole and exclusive owner of the patent applications set forth in the attached Exhibit A and of the inventions disclosed and claimed therein; and

**Whereas**, pursuant to an IP Asset Purchase Agreement, REHABILITATION INSTITUTE OF CHICAGO ENTERPRISES, of 345 East Superior Street, Chicago, Illinois 60611 (hereinafter referred to as Assignee), acquired the entire domestic and foreign right, title, and interest in, to and under the aforesaid patent applications and inventions;

**Now, Therefore**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor assigns and transfers to the Assignee and the Assignee's legal representatives, successors and assigns the entire right, title and interest in, to and under the patent applications and inventions set forth in Exhibit A and other such applications (e.g., continuations, continuations-in-part, divisionals, reissues, reexaminations, National phase applications, including petty patent applications, and utility model applications) that may be filed in the United States and every foreign country on the inventions, and the patents or extensions thereof, both foreign and domestic, that may issue thereon; Assignor conveys all rights to sue for and recover and retain damages, costs and attorneys' fees for past, present and future infringement thereof; and Assignor authorizes and requests the Commissioner of Patents to issue U.S. patents to the above-mentioned Assignee consistent with the terms of this assignment document.

**Upon Said Consideration**, Assignor conveys to the Assignee the right to make application in its own behalf for protection of the invention in countries foreign to the U.S. and to claim under the Patent Cooperation Treaty, the International Convention and/or other international arrangement for any such application the date of the U.S. application (or any other application if any there be) to gain priority with respect to other applications.

**Assignor Does Hereby Covenant** and agree with the Assignee that it will not execute any writing or do any act whatsoever conflicting with the terms of this assignment document set forth herein, and that Assignor will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and do such additional acts as the Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, reexamined and reissued patent applications set forth in the Exhibit A or of any and all foreign countries on the invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, and by executing statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties hereto.

**In Witness Whereof**, Assignor has caused one of its officers to hereunder set his hand on the date shown below.
