### ASSIGNMENT

WHEREAS, **Clifford D. Bennett**, of the City of Fontana, and State of California, and **Kenneth Lee**, of the City of Anaheim, and State of California, have invented certain new and useful matter disclosed in a document entitled Dowel Bar Assembly With Snap Fit Side Frames (Docket No. 442005-00149) for which they have executed an application for letters patent of the United States;

AND WHEREAS, **Dayton Superior Corporation, a corporation of the State of Ohio, with a place of business at 7777 Washington Village Drive, Suite 130, Dayton, Ohio 45459**, hereinafter called the Assignee, is desirous of acquiring the entire right, title and interest in and to said application and the inventions therein disclosed and any letters patent that may issue thereon;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other valuable consideration, receipt whereof is hereby acknowledged, we hereby sell, assign and transfer unto said Assignee, its successors and assigns, the entire right, title and interest in and to said application, any application claiming priority therefrom, any non-provisionals, divisions or continuations thereof, and the inventions therein disclosed, and any improvements thereon, and any patent or patents that may be issued or reissued thereon, and we hereby authorize and request the Commissioner of Patents and Trademarks to issue any letters patent thereon, and reissues thereof, to said Assignee, its successors and assigns; and we hereby authorize said Assignee, its successors and assigns, to file in its own name applications for patent in foreign countries in connection with the inventions hereby transferred, under the International Convention claiming the priority of said United States application or otherwise, and to secure in its own name the patent or patents issued thereon; and we hereby agree that, upon request, we will sign all papers, and make all rightful oaths, and do all acts which said Assignee, its successors or assigns, may consider necessary in connection with said United States application, and in connection with any other United States or foreign applications that may be filed in connection with said inventions, and with any improvements thereon, and in connection with any patents issued or reissued thereon.
