Whereas Laitram Machinery ApS, of Egholmvej 3, DK-9800 Hjørring, Denmark, owns, by assignment, all right, title, and interest in the following Patent Applications:

Danish Application No. PA 2004 00384  
A Method and a Product for Heating or Cooling of Foodstuffs  
Filing Date: March 8, 2004; and

International Application No. PCT/DK2005/000129  
A Method and a Product for Heating or Cooling of Foodstuffs  
International Filing Date: February 25, 2005  
Priority Date: March 8, 2004;

and any invention claimed therein; and

Whereas Laitram, L.L.C., of 220 Laitram Lane, Harahan, Louisiana, U.S.A., the Assignee, is desirous of acquiring Laitram Machinery's entire right, title, and interest in and to the invention, the Patent Applications, and any Letters Patent to be obtained therefor:

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, Laitram Machinery sells and assigns to the Assignee, its lawful successors, and assigns, its entire right, title, and interest in and to the invention, the Patent Applications, the Letters Patent that may issue from the patent applications in any and all countries, and any and all divisions, continuations, continuations-in-part, reexaminations, reissues, or extensions of the patent application or Letters Patent, and all rights of priority resulting from the filing of the application; and Laitram Machinery authorizes and requests the official whose duty it is to issue patents to issue the Letters Patent to the Assignee, its successors and assigns.

Laitram Machinery conveys to the Assignee the right to make application in the Assignee's own behalf for protection of the invention in any and all countries and to claim under the International Convention for the Protection of Industrial Property (the Paris Convention), the Patent Cooperation Treaty, and any other international arrangements for any such patent application, the date of the Patent Applications (or other patent applications, if there be any) in priority to other patent applications; and Laitram Machinery covenants and agrees with the Assignee that Laitram Machinery will not execute any writing or do any act conflicting with this assignment, and that Laitram Machinery will at any time, upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and do such additional acts as the Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and will give all necessary assistance in making application for and obtaining original, divisional, renewal, reissued, reexamined or

extended Letters of Patent of any and all countries for the invention, in enforcing any rights accruing as a result of such patent applications or patents, for example, by executing preliminary statements and other affidavits and declarations, it being understood that this agreement shall bind, and inure to the benefit of, the assigns, successors, and legal representatives of both parties.

Signed this 7<sup>th</sup> day of September, 2006,
