CONFIRMATORY ASSIGNMENT

WHEREAS, we, James J. Fallon of Armonk, New York, and Stephen J. McErlain of New York, New York, have made an invention in:

SYSTEM AND METHOD FOR DATA FEED ACCELERATION AND ENCRYPTION

and have made application for United States Letters Patent therefor, the same having been filed in the United States Patent and Trademark Office on October 3, 2001 as United States Patent Application No. 09/969,987; and

WHEREAS, for good and valuable consideration already received by us, we have previously assigned all right, title, and interest in and to said invention throughout the world to REALTIME DATA LLC, a corporation organized and existing under the laws of New York and having an office and place of business at 15 West 36th Street, New York, New York 10018;

WHEREAS, REALTIME DATA LLC and we are desirous of confirming that we have assigned to REALTIME DATA LLC said invention, said United States Patent Application and any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for said consideration already received by us, we hereby confirm that, effective December 20, 2001, we have sold, assigned, and transferred to said REALTIME DATA LLC, its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States Patent Application, including any
continuations and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based on said patent application; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to said REALTIME DATA LLC, as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our names on the date or dates indicated hereinafter.
