## **ASSIGNMENT OF INVENTION**

WHEREAS, we, Charles J. Longacre and David F. Toler, residing at 2721 Mountain Road, Danielsville, Pennsylvania 18038 and 1257 Firethorne Drive, Easton, Pennsylvania 18045-7421, respectively, have made a certain new and useful invention in a JOINT RESTRAINT ASSEMBLY (hereinafter "the invention"), and are about to apply for Letters Patent of the United States based thereon;

WHEREAS, we, Charles J. Longacre and David F. Toler, are Consultants of SIGMA CORPORATION;

WHEREAS, SIGMA CORPORATION, a corporation organized and existing under the laws of the State of New Jersey, and having an office and place of business at 700 Goldman Drive, Cream Ridge, New Jersey 08514 , is desirous of acquiring the entire right, title and interest in and to the invention and all improvements thereon which may be made, conceived or acquired by us, during the course of our association with SIGMA CORPORATION, in and throughout the United States, its territories and all countries foreign thereto, and in and to said application for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, we, Charles J. Longacre and David F. Toler, by these presents do sell, assign and transfer unto the said SIGMA CORPORATION, our entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto in and to said invention and any improvements thereon which may be made, conceived or acquired by us during the course of our association with SIGMA CORPORATION, in and to said application for Letters Patent and any and all Letters Patent and extensions thereof of the United States and countries foreign thereto which have been or may be granted on said invention or any part thereof, or any improvements thereon or on said application, or any divisional, continuing, renewal, reissue, or other application and all international priority rights associated therewith, based in whole or in part thereon, or based upon said invention, or any improvements thereon;

TO BE HELD AND ENJOYED by the said SIGMA CORPORATION and its legal representatives and assigns to the full ends of the terms for which said Letters Patent, or any of them, have been granted or may be granted as fully and entirely as the same would have been held and enjoyed by us had no sale and assignment of said interest been made; and we do hereby authorize and request the Commissioner for Patents and Trademarks to issue any and all Letters Patent which may be granted upon the said invention above referred to, or any of them, or upon said invention or any part thereof, or upon any improvements thereon which may be made, conceived or acquired by us during the course of our association with SIGMA CORPORATION, to said SIGMA

CORPORATION, and we hereby agree for ourselves, our heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by SIGMA CORPORATION herein named, fully to secure to the said SIGMA CORPORATION its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to said several Letters Patent, or any of them.

We do hereby covenant for ourselves and our legal representatives, and agree with SIGMA CORPORATION, and its legal representatives, that we have granted no license to make or sell the said invention, that prior to the execution of this deed our right, title and interest in the said invention have not been encumbered, that we then had good right and title in and to the invention and that we have not executed and will not execute any instrument in conflict therewith.
