ASSIGNMENT made by Paul M. Slattum of Cottonwood Heights, UT (hereinafter ASSIGNORS) to Mirus Bio Corporation, a corporation organized under the laws of the State of Wisconsin, and located and doing business at 505 South Rosa Road, Madison, WI 53719 (hereinafter ASSIGNEE).

IN CONSIDERATION of ~~One~~ ^{Two} Dollars (\$2.00) and other good and valuable considerations, the receipt of which is hereby acknowledged, said ASSIGNORS hereby sell, assign and transfer to said ASSIGNEE its successors and assigns, the entire right, title and interest in said **A Compound Containing a Labile Disulfide Bond** as set forth in their application for United States Letters Patent, and in and to said application and any divisions or continuations thereof, and any Letters Patent obtained for the said invention in the United States and foreign countries, or issuing out of said application or any such division or continuation thereof, and any reissues or extensions of any such Letters Patent.

The Commissioner of Patents is hereby authorized and requested to issue Letters Patent for said invention to said ASSIGNEE as assignee of the entire right, title and interest therein.

And, the said ASSIGNORS hereby covenant that they have full right to convey the entire right, title and interest in said invention, and that they have not executed and will not execute any agreement in conflict herewith.

And further covenant that they will, at any time, upon request execute and deliver any and all papers that may be necessary or desirable to perfect the title in said **A Compound Containing a Labile Disulfide Bond** to said invention or any Letters Patent that may be granted therefore, and if said ASSIGNEE or its assignee, desire to make a substitute, divisional or continuation application for said invention, or to secure a reissue of extension of said Letters Patent, to file a disclaimer relating thereto, or an application for a corresponding patent in any foreign country, that they will upon request, sign all papers, make all rightful oaths, and do all lawful acts requisite for the said purposes, but at the expense of said ASSIGNEE.

ASSIGNORS further hereby acknowledge that the entire beneficial interest in the invention to which the above application relates is irrevocably vested in the ASSIGNEE including the right to make application for protection in all countries abroad and to claim priority under the

Mirus.006.03

International Convention for such applications and hereby assent to the making of any such applications, with or without priority claims, and any divisional application resulting therefrom.

And, they further covenant that they will at all times communicate to the said ASSIGNEE, its successors, assigns or legal representatives, all facts relating to said invention and Letters Patent, or the history thereof, known to them, and testify as to the same in interferences or other litigation, when requested to do so.

We hereby authorize the above-mentioned ASSIGNEE or the attorney of record to insert in this instrument the filing date and serial number of said application:

Serial No.: 09/779,791

Filing Date: February 8, 2001

Executed and delivered this 5 day of September, 2006.
