ASSIGNMENT

WHEREAS, I, **GARY F. BOWSER** having a residence at 2702 CR 68, Auburn, Indiana 46706, United States (hereinafter, "Assignor"), have invented new and useful improvements in an **"ANGLED-BEAM DETECTION SYSTEM AND METHODS FOR CONTAINER SCREENING AND INSPECTION"** for which U.S. Provisional Patent Application Serial No. 60/621,261 was filed on October 22, 2004, and;

WHEREAS, **SCANTECH HOLDINGS, LLC**, a corporation organized under the laws of the State of Georgia, United States and having a place of business at 75 Fifth Street, N.W., Suite 218, Atlanta, Georgia 30308, United States (hereinafter, "Assignee"), is desirous of acquiring the entire interest in the same;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), the receipt and sufficiency of which is hereby acknowledged, and for other good and valuable consideration, Assignor by these presents does hereby irrevocably sell, assign, and transfer unto Assignee, the full, exclusive and entire right, title and interest in and to said provisional application, in and to all inventions and improvements disclosed and described in said provisional application, in and to all non-provisional U.S. patent application(s) for said inventions or improvements or claiming priority to said provisional application, and all Letters Patent that may be issued thereon, in and to all reissue, reexamination, division, continuation-in-part, extension, or continuation application(s) related to said non-provisional U.S. patent application(s), and in and to the right to sue and collect damages for all past, present, or future infringement; the same for

Assignee's legal representatives and assigns, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made.

For the same consideration, Assignor, by these presents does hereby irrevocably sell, assign, and transfer unto Assignee, the full, exclusive and entire right, title and interest in and to all international and foreign applications based on or claiming the benefit of said provisional application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim all applicable priority rights arising from or required for said international and foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations, said international and foreign applications to be filed and issued in the name of Assignee, or its designee insofar as permitted by applicable law; the same for Assignee's legal representatives and assigns, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made.

AND, I hereby bind myself, my heirs, legal representatives, administrators and assigns to properly and promptly execute and deliver to Assignee without further consideration any and all application(s), petitions, oaths, declarations and assignments or other papers and instruments which may be necessary in order to carry into full force and effect the sale, assignment, transfer and conveyance hereby made or intended to be made and generally do everything reasonably possible to aid Assignee and its successors, assigns, nominees, and legal representatives to obtain and enforce proper

protection for said inventions, improvements, and Letters Patents and equivalents thereof in all countries throughout the world.

This Assignment is expressly made NUNC PRO TUNC to have the same legal force and effect as if executed on October 22, 2004 (the filing date of the above-referenced provisional patent application).

IN WITNESS WHEREOF, I have executed this assignment this 19th day of JANUARY, 2006.
