Patent Assignment

THIS PATENT ASSIGNMENT, dated as of August 10, 2006, is executed by The LoveSac Corporation, a Delaware corporation ("**LoveSac**"), LoveSac Franchising, Inc., a Utah corporation ("**Franchising**"), LoveSac of Nevada LLC, a Nevada limited liability company ("**Nevada**"), and ChillSack, LLC, a Utah limited liability company ("**Chillsack**" and, together with LoveSac, Franchising and Nevada, each an "**Assignor**" and collectively the "**Assignors**"), in favor of Sac Acquisition LLC, a Delaware limited liability company (the "**Assignee**").

WHEREAS, the Assignors and the Assignee are parties to that certain Asset Purchase Agreement dated as of June 23, 2006 (the "**Purchase Agreement**"), pursuant to which the Assignors agreed to sell, convey, transfer, assign and deliver unto the Assignee all of their rights, title, and interests in and to the Acquired Assets (as defined in the Purchase Agreement);

WHEREAS, the Acquired Assets include certain United States Letters Patent and applications therefor set forth on Exhibit A (the "**Letters Patent**");

WHEREAS, the Assignors hereby confirm that the Assignors have the full right to convey all rights, as herein expressed, to the Letters Patent and the inventions embodied therein; and

WHEREAS, pursuant to the Purchase Agreement, the Assignee acquired the entire right, title and interest in, to and under the Letters Patent and applications therefor, and the inventions covered thereby.

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for and in consideration of the mutual covenants contained herein and in the Purchase Agreement and other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignors do hereby sell, assign, transfer and set over unto the Assignee, as of the date hereof, their entire right, title and interest in, to and under said inventions and the Letters Patent aforesaid in the United States, its colonies, dependencies and territories, and all foreign countries, as described in the applications and the Letters Patent aforesaid, together with the right of priority under the International Convention for the Protection of Industrial Property (the Paris Convention) and any other international agreements to which the United States of America adheres, and in and to any reissue, division, substitute, reexamination certificate or extension of the Letters Patent, the same to be held and enjoyed by the Assignee, for its own use and behalf, and for the use and behalf of its successors, assigns or other legal representatives, to the end of the term or terms of which the Letters Patent are granted or reissued, as fully and entirely as the same would have been held and enjoyed by the Assignors if this instrument and assignment had not been made; together with all claims for profits and damages by reason of past infringement of the Letters Patent, with the right to sue for and collect the same for its own use and behalf for any infringement arising prior to, on or subsequent to the date of this Patent Assignment, and for the use and behalf of its successors, assigns or other legal representatives, and to all substitutions, continuations, continuations-in-part, divisional and reissue applications of the Letters Patent.

And the Assignors hereby authorize a representative of the Assignee and its successors and assigns to apply for patents directly in its own name, upon the aforesaid inventions and wherever the same is permitted by law, and the Assignors authorize and request the United States Commissioner of Patents and Trademarks to issue all Letters Patent which may issue on the aforesaid patent applications to the Assignee, its successors and assigns, in accordance with this instrument.

And the Assignors hereby agree to transfer a like interest upon request of the Assignee, its successors, assigns and legal representatives, and without further remuneration, in and to any improvements, and applications for patents based thereon, growing out of or related to the said inventions; and to execute any papers requested by the Assignee, its successors, assigns and legal representatives, deemed essential to the Assignee's full protection and title in and to the inventions hereby transferred and for maintaining any resulting patent concerning said inventions.

And the Assignors hereby constitute and appoint the Assignee and its successors and assigns Assignors' true and lawful attorneys with full power of substitution, in Assignors' names and stead but on behalf of and for the benefit of the Assignee and its successors and assigns, to institute and prosecute, from time to time, and at the expense and for the benefit of the Assignee and its successors and assigns, any and all proceedings at law, in equity or otherwise, or to execute such documents, which the Assignee or its successors or assigns may deem proper for the assignment of, or recordation of ownership to, any of the Letters Patent or for the collection and enforcement of any claim or right of any kind hereby conveyed, transferred and assigned, or intended so to be, and to do all acts and things in relation to the Letters Patent which the Assignee or its successors or assigns shall deem desirable. The foregoing powers are coupled with an interest and are and shall be irrevocable by the Assignors or by dissolution of the Assignors or in any manner or for any reason whatsoever.
