ASSIGNMENT

WHEREAS, MedCity Medical Innovations, Inc. ("Assignor"), a corporation organized and existing under the laws of the State of Minnesota, and having its principal offices at 1610 14th Street NW, Suite 100 B, Rochester, Minnesota 55901 is the Assignee the following related Patent Applications:

United States Patent Application No. 10/414,909, filed April 16, 2003,
United States Patent Application No. 10/806,311, filed March 22, 2004,
EPO Application No. EP 2003/00767200.3, PCT filing date August 1, 2003, and
Japanese Patent Application No. 2004-526448, PCT filing date August 1, 2003,
all of which are entitled EMBOLISM PROTECTION DEVICES.

WHEREAS, Lumen Biomedical, Inc. ("Assignee"), a business entity organized and existing under the laws of the State of Minnesota, and having its principal offices at 2605 Fernbrook Lane, Suite A, Plymouth, Minnesota 55447, is desirous of acquiring the entire right, title and interest in and to said invention, said applications and in, to and under any and all Letters Patent to be obtained therefore;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00), to effectuate objectives of earlier Agreements between the parties, and other good and valuable consideration to Assignor in hand paid by said Assignee, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer unto the said Assignee, its successors and assigns, Assignor's entire right, title and interest in and to said invention, said provisional/utility application, all applications claiming priority to said provisional/utility application including all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue, therefrom including all reissues or extensions of such patents including all of Assignor's rights under the International Convention, and Assignor does hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith.

Assignor further authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration Assignor does hereby covenant and agree with the said Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these presents, and that Assignor or its executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making
