ASSIGNMENT

WHEREAS, I, as the below named sole inventor, or, we, as the below named joint inventors, have invented certain new and useful improvements in

IN-LINE SEALED ELECTRICAL CONNECTOR APPARATUS

for which application for Letters Patent of the United States of America was executed by me (us);

AND WHEREAS, **J.S.T. Corporation**, a United States of America corporation with offices at **37879 Interchange Drive, Farmington Hills, MI 48335**, (hereinafter referenced as **ASSIGNEE**) is desirous of acquiring all interest in, to and under the invention, the application disclosing the invention and in, to and under any Letters Patent or similar legal protection which may be granted therefor in the United States and in any and all foreign countries;

NOW THEREFORE, in consideration of the sum of Ten Dollar (\$10.00), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, as a sole inventor, or, we, as joint inventors as indicated below by these presents do hereby assign, sell and transfer unto the **ASSIGNEE**, its successors, assigns, and legal representatives, the entire right, title and interest in the invention, the application, including any divisions and continuations thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted for the invention, and in and to any all priority rights and/or convention rights under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States of America adheres, and to any other benefits accruing or to accrue to me or us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, and I (wd) hereby authorize and request the Commissioner of Patents to issue the United States Letters Patent to the **ASSIGNEE**, as the **ASSIGNEE** of the whole right, title and interest thereto;

And I (we) further agree to execute all necessary or desirable and lawful future documents, including assignments in favor of **ASSIGNEE** or its designee, as **ASSIGNEE** or its successors, assigns and legal representatives may from time-to-time present to me (us) and without further remuneration, in order to perfect title in the invention, modifications, and improvements in the invention, applications and Letters Patent of the United States and countries foreign thereto;

And I (we) further agree to properly execute and deliver and without further remuneration, such necessary or desirable and lawful papers for application for foreign patents, for filing subdivisions of the application for patent, and or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid invention, as the ASSIGNEE thereof shall hereafter require and prepare at its own expense;

And I (we) further agree that **ASSIGNEE** will, upon its request, be provided promptly with all pertinent facts and documents relating to the application, the invention and the Letters Patent and legal equivalents in foreign countries as may be known and accessible to me (us) and will testify as to the same in any interference or litigation related thereto;

And I (we) hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.

And I (we) hereby authorize and request my attorney(s) of record in this application to insert, if applicable, the serial number and filing date of this application in the spaces that follow:
