is desirous of acquiring the entire right, title and interest in and to the invention throughout the  
United States and the world, and all right, title and interest in, to and under any and all Letters  
Patent of the United States and all countries throughout the world;

FOR GOOD and VALUABLE CONSIDERATION, the full receipt and sufficiency of which are  
hereby acknowledged. ASSIGNORS, intending to be legally bound, do hereby:

AUTHORIZE said ASSIGNEE, or its representatives to insert above the filing date and  
application number of the application when these are known;

SELL, ASSIGN, TRANSFER and CONVEY to ASSIGNEE the whole and entire right, title and  
interest for the United States and its possessions and territories and all foreign countries in and to  
the invention which is disclosed in the above-identified patent application, and, in and to any and  
all patent applications related thereto including, but not limited to, all provisionals, non-  
provisionals, divisionals, continuations, continuations-in-part, substitutes, reexaminations,  
reissues and all other applications for patent which have been or shall be filed in the United  
States and all foreign countries on the invention; all original, reissued and reexamined patents  
and extensions thereof which have been or shall be issued in the United States and all foreign  
countries on the invention to the full end of the term or terms for which the patent(s) may be  
granted, as fully and entirely as the same would have been held by the undersigned

ASSIGNOR(S) had this Assignment not been made; and specifically including all rights of priority created by the above patent application under any treaty, convention or law relating thereto;

AUTHORIZE and REQUEST the issuing authority to issue any and all United States and foreign patents granted on the invention to ASSIGNEE;
