For value received, I, **Robert Morris Dressler**, of Los Altos Hills, CA, USA, **David Stevenson Spain Jr.** of Portola Valley, CA, USA, hereby sell, assign and transfer to Polaris Wireless, Inc., a corporation of the State of Delaware, having an office at Suite 440, 5201 Great America Parkway, Santa Clara, CA, 95054, USA, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to all of the inventions in the patent application entitled **Location Determination Using RF Fingerprints** and identified by DeMont & Breyer's Attorney Docket as **465-020US**, Serial Number **10/910511**, filed on **August 3, 2004**, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Polaris Wireless, Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Polaris Wireless, Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.
