**ASSIGNMENT AND AGREEMENT**

For and in consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, I, **Michael E. Reck**, of 15 Pearl Street, Belmont, MA 02478, have sold, assigned and transferred, and do hereby sell, assign and transfer, unto **Webstone Company, Inc.**, a corporation incorporated under the laws of Massachusetts, having its principal office at 1 Appian Way, Worcester, MA 01610, (hereinafter "ASSIGNEE") and its successors and assigns, the entire right, title and interest in and to certain inventions relating to improvement in **ISOLATION VALVE WITH VALVE IN DRAIN**, with application serial number 10/573,094, filed on March 23, 2006 described and claimed in an application for Letters Patent of the United States of America, together with the entire right, title and interest in and to said application, and in and to Letters Patent which may be issued upon said application, and any divisions, extensions, continuations or reissues thereof.

I hereby also sell, assign and transfer unto ASSIGNEE the entire right, title and interest in and to said invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said invention and said applications for Letters Patent in foreign countries, and I further authorize ASSIGNEE to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I agree that, when requested, I will, without charge to ASSIGNEE, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in ASSIGNEE, its successors, assigns and legal representatives or nominees.

I covenant to ASSIGNEE, its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
