ASSIGNMENT

WHEREAS, I, Mark Corsentino, have made a certain new and useful invention relating to VARIABLE AND SLOW SPEED PUMPING UNIT, for which I have made application for Letters Patent of the United States, said application being identified as Attorney Docket No. 51206.830001.US0, being filed herewith or United States Patent Application Serial No. _____, filed _____;

WHEREAS, XTO Energy Inc. (hereinafter "Assignee"), whose post office address is 810 Houston St., Fort Worth, Texas 76102-6298, is desirous of acquiring the entire interest in and to said invention, said application, and the Letters Patent to be obtained therefore, including any continuations, divisional, continuations-in-part, reissues, reexaminations, and the Letters Patent, both foreign and domestic, that may or shall issue thereon;

NOW THEREFORE, for valuable consideration, receipt and adequacy of which is hereby acknowledged, I have sold, assigned, and set over, and do hereby sell, assign, and set over, unto the Assignee and said Assignee's legal representatives, successors, and assigns, the entire right, title, and interest in and to said invention, said applications, continuations, divisional, continuations-in-part, reissues, reexaminations, and the Letters Patent, both foreign and domestic, that may or shall issue thereon; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned Assignee, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, I do hereby covenant and agree with the said Assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration, but at the expense of the said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance

in making application for and obtaining original, divisional, continuation, continuation-in-part, renewal, continuing, reissued or extended Letters Patent of the United States, or of any and all foreign countries, on said invention, and in enforcing any rights or chose an action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of both parties.

IN WITNESS WHEREOF, and having read this entire document including all prior pages, I have hereunto set my hand and affixed our seals on the date hereinafter set forth.
