ASSIGNMENT

We, Thomas McManus of Plymouth, Minnesota; and Peter Bergstrom of St. Paul, Minnesota, a citizen of the United States, have made an invention relating to LEGEND INCLUDING TRANSPARENT ZONE for which a provisional application has been made, said application which may be identified in the United States Patent Office by U.S. Application Serial No.: 11/458,556.

In exchange for good and valuable consideration, the receipt of which we now acknowledge, I hereby assign to Fluke Corporation, a Washington corporation of 6920 Seaway Boulevard, Everett, Washington 98206, its successors and assigns:

- (1) The entire right, title, and interest to the above-identified invention and application;
- (2) The entire right, title, and interest to any United States or foreign Letters Patents which may issue with respect to the above identified invention;
- (3) The entire right, title, and interest to any renewals, reissues, extensions, substitutions, continuations, continuations-in-part, or divisions that may be filed with respect to the above identified invention and application;
- (4) The entire right, title and interest to any parent cases previously filed with respect to the above identified invention and application; and
- (5) The right to apply for Letters Patents in foreign countries in its own name and to claim any priority rights to which such foreign applications are entitled under international conventions, treaties or otherwise.

I further agree for myself and for my heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments or other documents and to perform such other lawful acts as Fluke Corporation, its successors and assigns may deem necessary to fully secure, maintain and enforce its rights, title or interest as outlined herein.

I hereby authorize and request the Commissioner of Patents to issue to Fluke Corporation, any Letters Patents which may be granted in accordance with this Assignment.
