## ASSIGNMENT

WHEREAS, I, Peter T. Di Stefano, a citizen of the United States of America residing at 1302 The Alameda, Apt. 311, San Jose, California 95121, and Thomas H. Di Stefano, a citizen of the United States of America residing at 16129 Greenwood Lane, Monte Sereno, California 95030, ASSIGNOR(S),

am (are) the inventor(s) of the invention in an application for a Patent of the United States entitled:

Apparatus Including a Fluid Coupler Interfaced to a Test Head

(Attorney Docket: centi-2)

the declaration for which I (we) executed on Sept. 27, 2006, and Sept. 27, 2006, and

WHEREAS, Centipede Systems, Inc., a corporation of the State of California having a place of business at 2110 Ringwood Avenue, San Jose, California 95131, ASSIGNEE,

is desirous of obtaining the entire right, title and interest in, to and under the invention and the application:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me (us) in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, I (WE), the ASSIGNOR(S), have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention, and the United States application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models and designs which may hereafter be filed for the invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventor's certificates and designs which may be granted for the invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND I (WE) HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I (WE) HEREBY covenant and agree that I (WE) have full right to convey the entire interest assigned, and that I (WE) have not executed, and will not execute, any agreement in conflict herewith.

AND I (WE) HEREBY further covenant and agree that I (WE) will communicate to the ASSIGNEE, its successors, legal representatives and assigns, any facts known to us regarding the invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 27<sup>th</sup> day of September, 2006.
