RESPONSE TO NON-RECORDATION OF DOCUMENT

In response to Notice of Non-Recordation of Document, submitted herewith is:

- a. a copy of the originally recorded assignment document
- b. a corrected cover sheet
- c. a copy of the original cover sheet highlighting the error

The corrected cover sheet corrects for an error in the U.S. patent application serial number on the earlier filed Recordation Form Cover Sheet (Document ID No. 103296728). Recordation date, and reel and frame are as follows:

Recordation Date: 06/26/2006
Reel/Frame: 018032/0910

It is Applicants' belief that the typographical error in the cover sheet does not affect title to the application or patent, and therefore the original date of recordation should be maintained.

Applicants' undersigned representative attempted to contact Sharell Coles in the Assignment Services Branch to clarify the necessary action needed to correct the error, but was unsuccessful. Therefore, if any further information or action is deemed necessary, the Office is encouraged to contact the undersigned representative by telephone to resolve this issue.

Respectfully submitted,
