ASSIGNMENT

To

Ikuo HIKIMA

In consideration of the sum of one dollar ($1.00) and other good and valuable consideration paid to each of the undersigned, the undersigned assigns and transfers to NIKON CORPORATION, 2-3, Marunouchi 3-chome, Chiyoda ku, Tokyo, Japan, (hereinafter designated as the Assignee) and Assignee's heirs, successors, assigns and legal representatives, the entire right, title and interest, in and to the invention, as defined in 35 U.S.C. §103, in the invention and in all applications for patent including any and all provisional, non-provisional, divisional, continuation, substitute, and reissue applications, and all Letters Patent, extensions, renewals and reexamination certificates that may be granted on the invention known as

MEASUREMENT APPARATUS, EXPOSURE APPARATUS, AND DEVICE MANUFACTURING METHOD

for which the undersigned has (have) executed an application for patent in the United States of America on or before the date hereof.

1) Each of the undersigned agrees to execute all papers necessary in connection with the application and any continuing, divisional or reissue applications for the invention, and also to execute separate assignments in connection with each application and patent as the Assignee may deem necessary.

2) Each of the undersigned agrees to execute all papers necessary in connection with any interference which may be declared concerning any application or continuation or division thereof, or any patent or reissue application based thereon, for the invention, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

3) Each of the undersigned agrees to execute all papers and do all acts which may be necessary in connection with claims or provision of the International Convention for Protection of Industrial Property or similar agreements.

4) Each of the undersigned agrees to perform all affirmative acts which may be necessary to obtain, maintain or confirm by reissue or reexamination a grant of a valid United States patent to the Assignee.

5) Each of the undersigned authorizes and requests the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said applications to the Assignee, as Assignee of the entire interest, and waives all rights to the invention in the United States, and agrees that he has not assigned to any other person or persons any rights in the invention, and that he has executed, and the undersigned, and assigns and legal representatives.

6) Each of the undersigned hereby grants the firm of OLIFF & BERRIDGE, PLC the power to execute this assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

In witness whereof, executed by the undersigned on the date(s) opposite the undersigned name(s).
