ASSIGNMENT

This ASSIGNMENT is made by **Openwave Aries Inc.**, a Delaware corporation, having its principal office at 1400 Seaport Boulevard, Redwood City, California 94063, hereinafter referred to as "Assignor," to **Openwave Systems Inc.**, a Delaware corporation, having its principal office at 2100 Seaport Boulevard, Redwood City, California 94063, hereinafter referred to as "Assignee."

WHEREAS, ASSIGNOR is the owner of record of certain patents and applications which issued from or are pending in the United States Patent and Trademark Office and certain related international patents and applications listed in Appendix A attached hereto (collectively "Patents/Applications"):

For good and valuable consideration, receipt of which is hereby acknowledged by Assignor, Assignor has assigned, and by these presents does assign to Assignee all right, title and interest in and to the Patents/Applications and to all foreign counterparts (including patent, utility model and industrial designs), and in and to any Letters Patent and Registrations which may hereafter be granted on the same in the United States and all countries throughout the world, and to claim the priority from the Patents/Applications as provided by the Paris Convention. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made, for the full term of any Letters Patent and Registrations which may be granted thereon, or of any division, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation or extension thereof.

Assignor further agrees that Assignor will, without charge to Assignee, but at Assignee's expense, (a) cooperate with Assignee in the prosecution of U.S. Patent applications and foreign counterparts on the Patents/Applications and any improvements, (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer and (c) perform such other acts as Assignee lawfully may request to obtain or maintain Letters Patent and Registrations for the Patents/Applications and improvements in any and all countries, and to vest title thereto in Assignee, or Assignee's successors and assigns.
