ASSIGNMENT (6871220)

For good and valuable consideration, receipt of which is hereby acknowledged, I, **Verticalone Corporation** do hereby sell, assign and transfer unto **Yodlee, Inc.**, (a California Corporation having its principal place of business **3600 Bridge Parkway, Suite 200, Redwood City, CA 94065**, hereinafter called the "Assignee"), its successors and assigns, the entire world-wide title, interest and right, including the right of priority controlled by me, in, to and under Letters Patent of the United States, the patent application, entitled "**System and Method for Distributed Storage and Retrieval of Personal Information**", which bears US patent number **6871220**, issued on **03/22/2005**, and the invention and any of them therein set forth and described, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore based on the original application for said U.S. Letters Patent, and all divisions, reissues, substitutions, continuations, and extensions thereof which may be granted relating thereto in any country; **and**

For the above consideration I agree promptly upon request of the Assignee, its successors or assigns, to execute and deliver without further compensation any power of attorney, assignment, application, whether original, continuation, divisional or reissue, or other papers which may be necessary or desirable fully to secure to the Assignee, its successors and assigns, the inventions and any of them, described in said application and all patent rights therein, in the United States and in any country foreign thereto, and to cooperate and assist in the prosecution of appeal and interference proceedings involving said inventions and in the adjudication or re-examination of said Letters Patent provided the expenses which may be incurred by me in lending such cooperation and assistance be paid by the Assignee.

For the additional consideration of one dollar (\$1), receipt of which is hereby acknowledged, I do hereby sell, assign and transfer unto **Yodlee, Inc.** any residual rights, including all moral rights, related to the patent application, entitled "**System and Method for Distributed Storage and Retrieval of Personal Information**", which bears US patent number **6871220**, issued on 03/22/2005, the invention and any of them therein set forth and described, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore based on the original application for said U.S. Letters Patent, and all divisions, reissues, substitutions, continuations, and extensions thereof which may be granted relating thereto in any country.
