ASSIGNMENT

WHEREAS, WALTER A. BOOTH, a citizen of the United States of America, residing at 185 Mirage Blvd., Barnegat, New Jersey 08005 (hereinafter "Assignor"), has collaborated with his co-inventors VINCENT A. AMAROSA and ALAN R. LEVIN to invent a new and original BACKWASH STRAINER HAVING A CYCLONIC FLOW MECHANISM for which an application for United States Letters Patent was filed on June 30, 2006, as Application Serial No. 11/479,137.

WHEREAS, EATON CORPORATION, a company incorporated and existing under the laws of the State of Ohio and having a place of business at 1111 Superior Ave., Cleveland, Ohio 44114 (hereinafter "Assignee"), is desirous of acquiring Assignor's entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and sets over to Assignee his entire right, title and interest in and for the United States of America and all other countries in and to said invention and the aforesaid applications for patent, all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said applications and/or applications resulting therefrom to EATON CORPORATION, as Assignee of the entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue and other applications for patent on said invention and all assignments and powers of attorney thereof to Assignee or its assigns, to communicate to Assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid Assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by Assignee.
