ASSIGNMENT

Ginsey Industries, Inc., a corporation organized and existing under the laws of the State of Pennsylvania, United States of America, and having a place of business at 281 Benigno Blvd., Bellmawr, NJ 08031, United States of America, has an ownership interest in the United States design patent application entitled Step Stool, Attorney's Docket No. D1137 and filed in the United States Patent and Trademark Office as serial number _____ on _____. Ginsey Industries, Inc. recognizes that the invention disclosed in said design patent application was made on behalf of The Procter & Gamble Company, and Ginsey Industries, Inc. acknowledges its obligation at the time said invention was made to assign the same to The Procter & Gamble Company. In recognition of this obligation, Ginsey Industries, Inc. hereby assigns, conveys and transfers unto The Procter & Gamble Company, a corporation organized and existing under the laws of the State of Ohio, United States of America, and having a place of business at One Procter & Gamble Plaza, Cincinnati, Ohio, United States of America, its entire right, title and interest in United States design patent application serial number _____, together with the invention disclosed therein, and the right to claim the benefit of the filing date of said design patent application under international conventions. Furthermore, Ginsey Industries, Inc. hereby assigns, conveys, and transfers unto The Procter & Gamble Company its entire right, title and interest in all patents of the United States or of any other country which may be issued on the invention disclosed in the assigned design patent application, or any reissues, reexaminations, continuations, continuations-in-part, divisionals, or extensions thereof. Said design patent application, invention, right to claim the benefit of the filing date of the design patent application, and subsequent issued patents, reissues, reexaminations, continuations, continuations-in-part, divisionals, and extensions to be held and enjoyed by The Procter & Gamble Company, its legal representatives, successors, and assigns, to the end of the term or terms for which the same would have been held and enjoyed by Ginsey Industries, Inc. if this assignment had not been made, together with all claims for profits and damages by reason of infringement, with the right to sue for and collect the same for its own use and advantage. The entire right, title and interest in said invention and in said application and patents shall vest irrevocably in The Procter & Gamble Company, its legal representatives, successors, or assigns. Ginsey Industries, Inc. further agrees upon request, without additional compensation but at no expense to Ginsey Industries, Inc. to execute or assent to applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to The Procter & Gamble Company, its legal representatives, successors, and assigns as The Procter & Gamble Company its legal representatives, successors, or assigns may direct.

Ginsey Industries, Inc. further requests the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention herein assigned and as set forth in U. S. Application Serial Number _____ to The Procter & Gamble Company, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention covered thereby.

The undersigned is an authorized representative of Ginsey Industries, Inc. and is empowered to execute this document on its behalf.

GLOBAL GENERAL ASSIGNMENT

WHEREAS I, the undersigned inventor herewith declare that I am an inventor and I have cooperated to make a certain invention as set forth in a design patent application entitled Step Stool, Attorney's Docket No. D1137 and filed in the United States Patent Office as Number _____ on _____

Anthony Rogers of 87 Rocking Horse Way, Holland, PA 18966

I made said invention set forth in said design patent application on behalf of The Procter & Gamble Company and while employed by, or otherwise under an obligation to assign said invention to Ginsey Industries, Inc. and acknowledge my obligation at the time the invention was made to assign said invention to Ginsey Industries, Inc. Pursuant to said obligation and at the request of Ginsey Industries, Inc., I assign to Ginsey Industries, Inc., its legal representatives, successors, and assigns, the entire right, title and interest, including the right to claim the benefit of the filing date of said design patent application under international conventions, in said invention as set forth in said design patent application, and in all patents of the United States and of any other country which may be issued for said invention, as fully and completely as the same would have been held by me had this assignment not been made. The entire right, title and interest in said invention and in said application and patents shall vest irrevocably in Ginsey Industries, Inc., its legal representatives, successors, or assigns. I further agree upon request, without additional compensation but at no expense to me, to execute or assent to applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to Ginsey Industries, Inc., its legal representatives, successors, and assigns as Ginsey Industries, Inc., its legal representatives, successors, or assigns may direct.

The ASSIGNMENT of said invention is effective as of the earlier of 1) the date of execution shown below or 2) the filing date of said design patent application.
