ASSIGNMENT

U.S. Serial No.: 11/503,360

Case: 16291-462

Filed: August 11, 2006

In consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby assign to CORN PRODUCTS INTERNATIONAL, INC., a Delaware corporation, having its principal place of business at 5 Westbrook Corporate Center, Westchester, Illinois 60154, its successors, legal representatives and assigns, the entire right, title and interest in my invention or discovery in "OXIDATION OF CARBOHYDRATE WITH ULTRAVIOLET RADIATION" and in the application for Letters Patent of the United States therefor, executed by Roman Skuratowicz on August 1, 2006 and in any reissue, extension, division or continuation of any Letters Patent that may be granted upon said application or applications.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said CORN PRODUCTS INTERNATIONAL, INC. (the "Assignee").

For said consideration, I hereby agree upon the request of said Assignee, its successors, legal representatives and assigns, to execute any and all divisional and continuation applications for said invention or discovery, and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application that said Assignee, its successors, legal representatives or assigns may deem necessary or expedient, and for the said consideration I further agree upon the request of said Assignee, its successors, legal representatives or assigns, in the event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in interference, to cooperate to the best of my ability with said Assignee, its successors, legal representatives or assigns in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and I hereby agree to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in said Assignee, its successors, legal representatives and assigns as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made. For said consideration I hereby also assign to said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in said invention or discovery for any and all foreign countries, including all priority rights under convention, agreement or treaty, and agree upon the request of said Assignee, its successors, legal representatives and assigns, to execute any and all documents that shall be required of me to be executed in connection with

any and all applications for foreign Letters Patent therefor, including the prosecution thereof, and any proceedings thereon, and to execute any and all documents necessary to vest title in said foreign applications and patents in said Assignee.
