ASSIGNMENT

WHEREAS, I, Ludwig P. Kiermaier, residing at 81 Livingston Avenue, Edison, NJ 08820, as assignor, have invented certain improvements in LAMP ELECTRODE AND METHOD FOR DELIVERING MERCURY, for which an application for United States Letters Patent has been executed by me and filed as U.S. Serial No. 11/522,547 on September 14, 2006, and whereas E.G.L. Company Inc., having a business at 100 Industrial Road, Berkeley Heights, NJ 07922, as assignee, is desirous of acquiring all right, title and interest in and to said invention and any letters Patent that may be granted therefore.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, as assignor hereby sell, assign and set over to said assignee the entire right, title and interest for the United States and all other countries in and to said invention and the aforesaid application for Letters Patent, all original, divisional, continuation, substitute or reissue applications and patents applied for or granted therefore in the United States and the Commissioner of Patents is hereby authorized and requested to issue all patents on said improvements or resulting therefrom to said assignee herein, as assignee of the entire interest therein; and I for myself and my legal representatives, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver all divisional, continuation, reissue and other applications for Letters Patent on said improvements and all assignments thereof to said assignee or its assigns, to communicate to said assignee or its representatives all facts known to the undersigned respecting said improvements, whenever requested, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to aid assignee, its successors, assigns and nominees to obtain patent protection for said improvements in all countries, the expenses incident to said applications to be borne and paid by said assignee.

  
Ludwig P. Kiermaier
