CONFIRMATORY ASSIGNMENT

(U.S. and Foreign Patents)

THIS CONFIRMATORY ASSIGNMENT, made to be effective as of the 2nd day of OCTOBER, 2006, by and between MeadWestvaco Corporation, a Delaware corporation, located at One High Ridge Park, Stamford, Connecticut 06905 U.S.A. (the "Assignor"), and Vue Technology, Inc. (formerly known as Inviso Systems, Inc.), a Delaware corporation, located at 103 North Point Drive, Lake Forest, CA 92630, U.S.A. (the "Assignee"), witnesseth:

WHEREAS, the said Assignor is the sole and rightful owner of patents and patent applications (collectively referred to as "Intellectual Property"), including, without limitation, the patents and applications for patents set forth in the Schedule attached hereto; and

WHEREAS, pursuant to the Asset Contribution Agreement dated August 17, 2005, Assignor desires to assign, and Assignee desires to acquire, said Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor confirms that it has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, *nunc pro tunc* effective as of August 17, 2005, the entire right, title and interest in and to any and all applications for patents and any and all patents, as set forth in the Schedule attached hereto, and in and to the inventions set forth in said applications and patents and any and all patents in the United States of America and all foreign countries which have been or may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said applications, continued prosecution applications, or reissues, reexaminations, or extensions of said patents, and all rights under the International Convention for the Protection of Industrial Property, said rights to include any and all rights of recovery based on past infringement of any and all said inventions and said patents, the same to be held and enjoyed by the said Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which patents may be granted, and all extensions thereof;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, that, at the

time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, the Assignor is the sole and lawful owner of the entire right, title and interest in and to said Intellectual Property, and that the same are unencumbered and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, said Assignor will, whenever counsel of said Assignee, or the counsel of its successor, legal representatives and assigns, shall advise that any proceeding in connection with said Intellectual Property in any country, including interference and opposition proceedings, is lawful and desirable, or that any division, continuation or continuation-in part of any application for patents, or any reissue or extension of any patents to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts reasonably necessary or desirable to be done for the filing, prosecution, assignment, maintenance, enforcement and defense of patents for said inventions, without charge to the said Assignee, its successors, legal representatives and assigns, other than reasonable costs and expenses incurred by each of the Assignors or any of their respective employees, agents and representatives in connection with the foregoing actions.
