ASSIGNMENT

WHEREAS, I, Marek Kwiatkowski, have invented one or more inventions described in an application (or provisional application) for Letters Patent of the United States entitled:

COMPOUNDS FOR PROTECTING HYDROXYLS AND METHOD FOR THEIR USE

And identified by

Attorney Docket No. _____, and/or executed by me on even date herewith and about to be filed in the United States Patent and Trademark Office; and

U.S. Patent Application Serial No. 09/412,171, filed in the United States Patent and Trademark Office on 10/5/99, and

WHEREAS, Quiatech AB (hereinafter "ASSIGNEE"), a corporation organized and existing under the laws of the Swedish laws, and having a usual place of business at Box 7823, SE-103 97, Stockholm, Sweden, desires to acquire an interest therein, in accordance with agreements duly entered into with me;

NOW, THEREFORE, for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned and transferred and do hereby sell, assign and transfer unto ASSIGNEE, its successors, assigns, and legal representatives, my entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to the invention(s) described in said application, together with my entire right, title and interest in and to said application and such Letters Patent that may issue thereon or patent application that may claim priority thereto under United States law or international convention, including but not limited to non-provisionals, continuations, divisionals, designs, reissues, reexaminations, extensions, and substitutions of said application or such Letters Patent, and any right, title and interest I may have in provisional applications to which said application claims priority and such Letters Patent that may issue thereon, said invention(s), patent applications and Letters Patent to be held and enjoyed by ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by me had this assignment and sale not been made; I hereby convey all of my rights arising under or pursuant to any and all United States laws and international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent, including but not limited to any cause(s) of action and damages accruing prior to this assignment. I hereby acknowledge that this assignment, being of my entire right, title and interest in and to said invention(s), carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all Letters Patent to ASSIGNEE in its own name as assignee of my entire right, title and interest therein;

AND, I hereby further agree for myself, my executors, and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts that may be deemed necessary to secure fully the aforesaid invention(s) to ASSIGNEE, its successors, assigns, and legal representatives, but at its or their expense and charges, including the execution of non-provisional, continuation, divisional, design, reissue, reexamination, substitution, or corresponding foreign or international patent applications;

AND, I hereby further agree to provide statements or testimony in any interference or other proceeding in which said invention(s) or any application or patent directed thereto may be involved;

AND, I hereby authorize ASSIGNEE or its attorneys or agents to insert the correct serial number and filing date into this assignment, if none is indicated on the date of my execution of this assignment;

AND, I hereby authorize and request the Director of the United States Patent and Trademark Office and the empowered officials of all other governments to issue such Letters Patent as shall be granted upon said application, or applications based thereon, to ASSIGNEE, its successors, assigns, or legal representatives.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my seal on the date set forth below.
