ASSIGNMENT

In consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, **ConjuChem Inc.**, a corporation duly organized under and pursuant to the laws of **Quebec** and having its principal place business at **225 President Kennedy Avenue, Suite 3950, Third Floor, Montreal, Quebec, H2X 3Y8, CANADA** (herein "the assignor"), has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto **ConjuChem Biotechnologies Inc.**, a corporation duly organized under and pursuant to the laws of **Canada** and having its principal place business at **225 President Kennedy Avenue, Suite 3950, Third Floor, Montreal, Quebec, H2X 3Y8 CANADA**, its successors, legal representatives and assigns (hereafter "the assignee"), its entire right, title and interest in the invention or improvements described in the patent application(s) and patent(s) listed in the Schedule hereto, the same to be held and enjoyed by said assignee to the full end of the term or terms for which said patent(s) or patent(s) that may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor, had this sale and assignment not been made.

The assignor hereby authorizes and requests the Commissioner of Patents to issue any patent applied for in said patent application(s), and division(s), continuation(s) and continuation(s)-in-part thereof, to said assignee.

For said considerations, the assignor hereby agrees, upon the request of said assignee, to execute any and all divisions, continuations, and continuations-in-part applications for said patent application(s), and any necessary oath or supplemental oath or affidavit relating thereto, and any and all applications for the reissue, re-examination, disclaimer or extension of any patent that may be granted upon said application that said assignee may deem necessary or expedient, and for the said considerations the assignor further agrees upon the request of said assignee, in the event of said patent application(s) listed in the Schedule, or any division or continuation or continuation-in-part thereof, or any patent issued thereon or any patent(s) listed in the Schedule, or any reissue, re-examination, disclaimer or extension, or application for the reissue thereof, becoming involved in interference, opposition or action in Court, to co-operate with said assignee, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and the assignor hereby agrees to perform, upon such request, any and all affirmative acts to obtain, maintain, enforce and defend said patent(s) and patent(s) that may be granted, without charge to said assignee but at the cost and expense of said assignee, and vest all rights therein hereby conveyed in the said assignee as fully and entirely as the same would have been held and enjoyed by the assignor if this assignment and sale had not been made.

And, for the said considerations, the assignor hereby assigns to said assignee its entire right, title and interest in said invention or improvements for any and all foreign countries and agrees upon the request of said assignee to execute any and all documents in connection with any and all applications for foreign patent therefore, including the prosecution thereof, and to execute any and all documents necessary to vest title in said foreign applications and patents in said assignee.
