## ASSIGNMENT

WHEREAS I, Gerard A. Alphonse (hereinafter referred to as "ASSIGNOR") of 5 Skyfield Drive, Princeton, NJ 08540-7403 have invented certain new and useful improvements in:

### LOW COHERENCE INTERFEROMETRY UTILIZING PHASE

for which I am about to file an application for Letters Patent of the United States;

AND WHEREAS, Medeikon Corporation (hereinafter referred to as "ASSIGNEE"), a corporation organized and existing under the laws of the State of Delaware, having a place of business at 7 Graphics Drive, Ewing, NJ 08628, is desirous of acquiring an interest in the United States and all foreign countries, in and to the said invention and Letters Patent to be obtained therefor;

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, I, the said Gerard A. Alphonse, have assigned and transferred, and hereby assign and transfer unto the said Medeikon Corporation, the entire right, title and interest in and to said invention in the United States and in all foreign countries, including priority rights, as fully set forth and described in said application; and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent on said application, and any and all Letters Patent that may be issued upon any and all revivals, re filings, continuations, continuations-in-part, divisions and reissues thereof, to the said Medeikon Corporation, an assignee of the entire right, title and interest in and to the same, for the sole use and behoof of Medeikon Corporation, its successors and assigns; and I do hereby agree that the said Medeikon Corporation, may apply for foreign Letters Patent on said invention and that I will execute all papers necessary in connection with the United States and foreign applications when called upon to do so by the said Medeikon Corporation, its successors or assigns, and that I will, at the cost and expense of the said Medeikon Corporation fully assist and cooperate in all matters in connection with the United States and foreign applications and patents issuing thereon.

The undersigned declare that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title

18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
