ASSIGNMENT

WHEREAS, we, Timothy J. Nicholls, Robert W. Allport, Stephen Kelley and Christopher J. Capelli have invented certain new and useful improvements in a **DYNAMIC ELECTRONIC MESSAGING SYSTEM** identified as File Number **A-195** in the Intellectual Property and Technology Law Department files of the hereinafter-mentioned assignee, and said Timothy J. Nicholls has executed an application for United States Patent based thereon on the 22 day of December, 1998; and said Robert W. Allport has executed an application for United States Patent based thereon on the 23 day of December, 1998; and said Stephen Kelley has executed an application for United States Patent based thereon on the 22 day of December, 1998; and said Christopher J. Capelli has executed an application for United States Patent based thereon on the 28 day of December, 1998;

AND WHEREAS, Pitney Bowes Ltd., a corporation organized and existing under the laws of Great Britain and having its place of business at The Pinnacles, Harlow, Essex, CMI9 5BD, England, is desirous of acquiring certain rights thereunder.

NOW, THEREFORE, for one dollar and other good and valuable consideration, receipt of all of which is hereby acknowledged, we have agreed to and hereby sell, assign and transfer unto said corporation the entire right, title and interest, in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to said invention, said application and any and all patents (including extensions thereof, and all the rights under the International Convention for the Protection of Industrial Property including the right to claim for any foreign patent application the priority date of the corresponding U.S. patent application) of any country, which have been or may be granted on said invention or any part thereof, or on said application or any divisional, continuing, renewal, substitute, reissue or other patent application based in whole or in part thereon, or based upon said invention;

TO BE HELD AND ENJOYED by said corporation, its successors and assigns, to the full ends of the respective terms of which said patents or any of them have been or may be granted, as fully and entirely as the same would have been held and enjoyed by us had no sale and assignment of said interest been made;

AND we do hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America to issue any and all United States patents which may be granted upon said United States application or any of them, or upon said invention or any part thereof, to said corporation;

AND we hereby agree for ourselves and for our heirs, executors and administrators, to execute without further consideration any further lawful documents and any further assurances, and any divisional, continuing, renewal, substitute, reissue, or other applications for patents of any country, that may be deemed necessary by said corporation

fully to secure to said corporation, its interest as aforesaid in and to said invention or any part thereof, and in and to said several patents or any of them;

AND we do hereby covenant for ourselves and our legal representatives and agree with said corporation, its successors and assigns, that we have granted no right or license to make, use or sell said invention to anyone except said corporation, that, prior to the execution of this deed, our right, title and interest in said invention had not been otherwise encumbered, and that we have not executed and will not execute any instrument in conflict herewith.

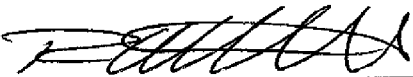

IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seals:

REQUEST FOR CORRECTED RECORDATION OF ASSIGNMENT

Mail Stop: Assignment Services Branch
U.S. Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Corrected Notice of Recordation of Assignment Document is respectfully requested for the above-identified patent application. The Notice of Recordation of Assignment Document dated April 13, 1999 and the prior recordation cover Sheet of December 29, 1998 incorrectly lists Assignee name and address as Pitney Bowes Inc., One Elmcroft Road, World Headquarters, Stamford, CT 06926-0700. As shown in a copy of the Assignment document included herewith, Assignee is Pitney Bowes Ltd., The Pinnacles, Harlow, Essex, CMI9 5BD, England.

This correction is due to an error by the Applicants. Accordingly, please find attached a Corrected Recordation of Assignment cover sheet along with a copy of the original Assignment and the original PTO Notice of Recordation of Assignment Document with original cover sheet.

Please charge any fees required for this correction and any additional fees or credit overpayment to Deposit Account Number 16-1885.

Respectfully submitted,
