ASSIGNMENT

In consideration of a pre-existing employment obligation to assign inventions to NDSU under its patent policies and other good and valuable consideration, including, but not limited to that NDSU will expend public resources to protect and develop intellectual property rights and possibly provide financial return, the undersigned hereby assigns to North Dakota State University, a public institution of higher education, having an address of 1735 NDSU Research Park Dr., Fargo, North Dakota 58105-5002, its successors and assigns the entire right, title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States, Serial No. 11/338,261 filed in the United States Patent and Trademark Office on the 24th day of January, 2006, entitled **CHROMOPHORE AND POLYMER CAPABLE OF DETECTING THE PRESENCE OF VARIOUS NEUROTOXINS AND METHOD OF USE**, and in said application and any and all other applications for United States Letters Patent, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent, applications, and in any reissue or extension thereof.

The undersigned hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said North Dakota State University.

For said considerations the undersigned hereby agree, upon the request, and at the expense of said assignee, its successors and assigns, to execute any and all divisional continuation and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and for the said considerations the undersigned further agree upon the request of said assignee, its successors or assigns, in the event of any application or Letters Patent assigned herein becoming involved in interference, to cooperate to the best of the ability of the undersigned with said assignee, its successors or assigns in the matters of preparing and executing the preliminary statement and giving and producing evidence
