## ASSIGNMENT

WHEREAS, I, Nestor Antonio Lagos Wilson, residing at 602 Peru Avenue, Department 1104, Recoleta, Santiago, Chile (hereinafter referred to as "the Assignor"), am the inventor of certain inventions or improvements for which an application for Letters Patent will be made on May 6, 2005, under the Patent Cooperation Treaty, identified as International Patent Application No. PCT/US2005/016021 entitled, "Methods of Treating Wounds with Gonyautoxins" (hereinafter, "the PCT Application").

WHEREAS, Phytotox Limited, a company of Bermuda, having a place of business at Codan Services Limited, Clarendon House, 2 Church Street, Hamilton HM 11, Bermuda (hereinafter referred to as "the Assignee"), is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements and in and to the said applications, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries designated in the PCT Application:

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) to me in hand paid by said Assignee, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the said Assignor, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over to said Assignee, the entire right, title and interest in and to said inventions or improvements and said applications including the right to claim priority to U.S. Provisional Patent Application Nos. 60/569,380 and 60/569,383, filed May 7, 2004, and in any foreign application entitled to claim such priority under national law, international conventions, treaties or otherwise, and any and all continuations, divisions and renewals of and substitutes for said applications, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in the countries designated in said PCT Application, and any reissue or reissues or extension or extensions of said Letters Patent, and assign to and authorize said Assignee, to file in my name applications for Letters Patent in all countries designated in said PCT Application, the same to be held and enjoyed by said Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me had this assignment, sale and transfer not been made.

AND I hereby covenant that I have the full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith, and I further covenant and agree that I will each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application and said Letters Patent to said Assignee, its successors, assigns, nominees, or legal representatives, all known facts respecting said inventions or improvements, said applications and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue and foreign
