ASSIGNMENT

I, DONALD J. BRANDES, a citizen of the United States of America, residing in Phoenix, County of Maricopa, State of Arizona, have made an invention(s) as disclosed in the application for United States patent filed in the U.S. Patent and Trademark Office on March 18, 2002, and issued on September 28, 2004 as patent No. 6,796,093, entitled:

METHOD AND APPARATUS FOR ASSEMBLING STRONG, LIGHTWEIGHT THERMAL PANEL AND INSULATED BUILDING STRUCTURE

GLOBAL BUILDING SYSTEMS, INC., a corporation organized and existing under the laws of the state of Arizona, with an office for conducting business at 300 E. Willis Street, Suite H, Prescott, Arizona 86301, wishes to acquire the entire right and title to and interest in the invention and any improvements on the invention in the above-identified patent application, the above-identified patent and any further United States and foreign patents that may have been or may be obtained for the invention and any improvements thereon.

I, DONALD J. BRANDES, for and in consideration of the sum of \$1.00 paid to us by GLOBAL BUILDING SYSTEMS, INC., and for other valuable consideration, the receipt and sufficiency of which is acknowledged, have sold, assigned, transferred, and conveyed and by this document do sell, assign, transfer, and convey, to GLOBAL BUILDING SYSTEMS, INC., its successors and its assigns the entire right and title to, and interest in the invention for which we have made the above-described application and all improvements on the invention, the above-identified patent application, the above-identified patent, any continued prosecution patent application (CPA), division, continuation or continuation-in-part that claims priority from the above-identified application filed, and all United States and foreign patents that issue on the above-identified invention and improvements, and all United States and foreign patents and patent applications that claim priority from the above-identified patent application including any patent extensions, renewals or reissues (herein the "Patent and Patent Amendments"), all for the full term or terms for which any of the foregoing may be granted.

I, DONALD J. BRANDES, authorize and request the Commissioner of Patents and Trademarks to issue any patents of the United States, resulting from any application described above to GLOBAL BUILDING SYSTEMS, INC., as the assignee of the rights identified above, for the sole use and benefit of GLOBAL BUILDING SYSTEMS, INC., its successors and its assigns.

I, DONALD J. BRANDES, for the consideration stated above, represent to and agree with GLOBAL BUILDING SYSTEMS, INC., its successors, and its assigns, that I have the full power to make this assignment, and that the assigned rights are unencumbered by any previously granted right or license. I, my executors, or administrators will do all acts and things and execute and deliver without further compensation any other instruments, further applications, papers, affidavits, powers of attorney, assignments, and other documents that, in the opinion of the counsel for GLOBAL BUILDING SYSTEMS, INC., or its successors and its assigns are or may be required to more fully secure and vest the assigned right, title, and interest in and to GLOBAL BUILDING SYSTEMS, INC., its successors, and its assigns, and I will sign any applications for utility patent, applications for reissue, continuation-in-part applications or applications for extension or renewal that may be desired by the owner of the patent or patents that may be issued for the invention or improvements on the invention.
