ASSIGNMENT OF AN INVENTION BY A CO-INVENTOR

WHEREAS, David A. Hutchins, Co-Inventor, of the City of Kenilworth, Warwickshire, United Kingdom, has made, with Co-Inventor David W. Schindel, new and useful improvements disclosed in the issued Canadian and United States patents identified in Appendix #1 to this Assignment and forming part hereof, (hereinafter referred to as the "Inventions") invented by him and David W. Schindel as Co-Inventors and has not granted to anyone any right of license to make, use or sell the Inventions and has not otherwise alienated, limited or encumbered the right, title, property, benefit or interest in the Inventions.

AND WHEREAS, MicroAcoustic Instruments Inc., a corporation incorporated under the laws of Canada whose full post office address is 460 Wilbrod Street, Suite 2, Ottawa, Ontario, Canada, K1N 6M8 (hereinafter referred to as the "Assignee") is desirous of acquiring the entire right, title, property, benefit and interest in the Inventions.

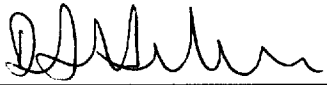

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is acknowledged, Co-Inventor, hereby transfers, assigns, grants, conveys and sells to the Assignee, its successors, assigns or other legal representative and hereby confirms that he has transferred, assigned, granted, conveyed and sold to the Assignee, its successors, assigns and other legal representatives, his entire and worldwide right, property, benefit and interest in and to the Inventions and any and all applications for patents and patents (including related rights such as utility model registrations, inventor's certificates and the like) in any and all countries in the world including all divisions, derivatives, continuations, reissues, substitutions, re-examinations and extensions and all rights of priority resulting from the filing of the above identified application, and authorizes the Canadian Commissioner of Patents and any officials of other countries whose duty it is to grant patents to grant any patent for the Inventions to the Assignee, its successors, assigns or other legal representatives.

AND CO-INVENTOR HEREBY covenants, undertakes and agrees for himself and for his heirs, executors, administrators and other legal representatives to do all such things

and execute without further consideration, but at the expense of the Assignee, such further assurances, applications, instruments and other documents as may be reasonably be required by the assignee to obtain and maintain Letters Patent for the Inventions in any country and vest the same in Assignee, its successors, assigns or other legal representatives.

AND CO-INVENTOR HEREBY further covenants that he has full right to convey the entire interest herein assigned.

IN TESTIMONY WHEREOF, the Co-Inventor hereunto sets his hand this 23rd
October
day of ~~September~~ 2006, in the City of Kenilworth, Warwickshire, United Kingdom.
