PATENT

**ASSIGNMENT**

WHEREAS, the Undersigned has invented certain new and useful improvements as below entitled, for which application for United States Letters Patent is made, said application having been executed on the date set forth below; and

WHEREAS, L&P Property Management Company (hereinafter referred to as "Assignee"), a Delaware corporation, with an address of 4095 Firestone Boulevard, South Gate, California 90280, desires to acquire the Undersigned's entire right, title and interest in and to the invention, and in and to said application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, the Undersigned:

Hereby sells, assigns and transfers to Assignee, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, filed on May 5, 2006, and assigned U.S. Application Serial No. 11/429,511, or, if not identified here by filing date and serial number, executed by me on even date, entitled:

**PRIME FOAM CONTAINING VEGETABLE OIL POLYOL**

and in and to said application and all applications that claim priority to said Application Serial No. 11/429,511 and all provisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; and in and to all utility models, industrial models, certificates of invention, and designs on said improvements;

Agrees that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the Undersigned will execute all divisional, continuing, substitute, renewal, reissue and all other patent applications, and all other like rights of exclusion in any country on any and all said improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known to the Undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns and representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Agrees that the Undersigned will upon request of Assignee, render prompt assistance and cooperation in the prosecution of legal proceedings involving said improvements, said applications and patents granted thereon, including reexaminations, reissues, interferences, priority contests, public use proceedings and court proceedings, and testify in such proceedings if requested, provided, however, that the expense which may be incurred by the Undersigned in lending such assistance and cooperation be paid by Assignee; and

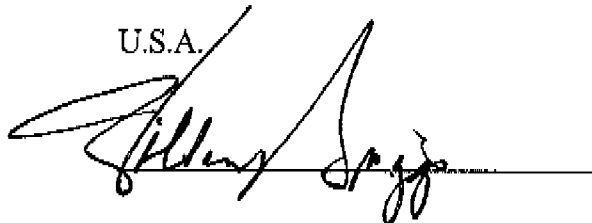

Covenants with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the Undersigned, except as set forth below, and that full right to convey the same as herein expressed is possessed by the Undersigned.

This assignment shall be binding on the heirs and legal representatives of the Undersigned.

**REQUEST FOR CORRECTION OF  
NOTICE OF RECORDATION DOCUMENT**

Dear Sir:

Applicant has noted an error in the *Notice of Recordation of Assignment Document* for the Assignment document recorded on September 1, 2006 at Reel/Frame 018230/0641. The *Notice of Recordation of Assignment Document* is in error in that the name of the Inventor is incorrect. The correct name of the inventor is WILLIAM GRIGGS, not WILLIAMS GRIGGS. Attached to this Request are copies of the *Notice of Recordation of Assignment Document*, the *Recordation Form Cover Sheet*, and the *Assignment* document. The above-identified error may readily be discerned by comparison of these attachments.

Applicant believes that the error occurred during recordal of the Assignment document and, therefore, no fee is due. Nevertheless, authorization is hereby granted to charge any fee that may be due to Deposit Account No. 50-1515, Conley Rose, P.C.

Respectfully submitted,  
CONLEY ROSE, P.C.
