ASSIGNMENT

WHEREAS I,
Jan Pieter WETSEMA (the "Inventor"),
residing at Stadhoudersweg 29d, 3038 EC Rotterdam, the Netherlands,
am the sole inventor of an invention in a **Bearing cradle** for which invention a European
patent application with serial number **05077460.3** was filed in the European Patent Office
on **26 October 2005** and I am entitled to assign my entire right, title and interest world-
wide in and to the invention and any intellectual property protection for the invention,
including the European patent application therefor; and

WHEREAS HUNTER DOUGLAS INDUSTRIES BV (the "Company"), having a
place of business at Piekstraat 2, 3071 EL Rotterdam, The Netherlands, is desirous of
obtaining my entire right, title and interest in and to the invention and any intellectual
property protection for the invention, including the European patent application therefor,
world-wide;

NOW THEREFORE, in consideration of the sum of one Euro (€1,00) and other
good and valuable consideration, the receipt of which is acknowledged, I hereby sell,
assign and transfer to the Company, its successors, legal representatives and assigns,
my entire right, title and interest world-wide in and to the invention and all applications for
industrial property protection, including, without limitation, all applications for patents,
utility models and designs, whether original, divisional, continuation, renewal, reissue, or
the like, now on file or subsequently filed, for the invention world-wide, together with the
right to file such applications and the right to claim for such applications the priority rights
derived from the European patent application under any national or international
intellectual property laws or agreements and any industrial property protection including,
without limitation, patents, utility models and designs, now or hereafter granted, for the
invention world-wide, and any extensions, renewals, reissues or the like thereof.

FURTHER I hereby authorize and request any official of any state, responsible
for issuing patents or other evidence or forms of any industrial property protection, to
issue the same for the invention to the Company, its successors, legal representatives
and assigns, in accordance with this assignment.

ALSO I hereby agree that I have the full right to convey my entire, right, title and
interest in and to the invention world-wide and all applications for industrial property
protection for the invention world-wide and that I have not executed, and will not execute,
any agreement in conflict with this assignment.

MOREOVER I hereby agree that I will communicate to the Company, its successors, legal representatives and assigns any facts known to me respecting the invention and testify in any legal proceeding, sign any lawful papers, execute any original, divisional, continuation and reissue applications, make any rightful oaths, and generally do everything possible to aid the Company, its successors, legal representatives and assigns to obtain and enforce proper protection for the invention world-wide.

FURTHER I hereby agree that this assignment is to be considered effective as of the filing date of the European patent application.

IN TESTIMONY WHEREOF, I have hereunto set my hand the day, month and year opposite my signature below.
