NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged Assignor, intending to be legally bound, agrees as follows:

1. Assignor has assigned, sold and set over, and by these presents assigns, sells and sets over unto the Assignee, its successors, legal representatives and assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest in and to said inventions, and said applications for Letters Patent, including the right to file foreign patent applications corresponding to said applications, and the right to claim the priority date of said patent applications and any legal equivalents thereof, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and to any and all divisions, continuations, and continuations-in-part of said applications, or re-issues or extensions of said Letters Patent or Patents prepared and executed by Assignor on even date herewith, the same to be held and enjoyed by the Assignee, as fully and entirely as the same would have been held by the Assignor had this Assignment and sale not been made.

2. Assignor hereby covenants and agrees that the Assignor will at any time upon the request and at the expense of the Assignee execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said inventions and to obtain Letters Patent therefor, and the Assignor hereby authorizes and requests the Commissioner for Patents to issue said Letters Patent to the said Assignee in accordance with this Agreement.
