ASSIGNMENT

Michael J. Wood, residing at 16 Springwater Crossing, Newnan, Georgia 30265, a citizen of United States of America (hereafter, "the undersigned"), is an inventor of PROJECTILE, PROJECTILE CORE, AND METHOD OF MAKING for which a provisional application for United States Letters Patent, U.S. Patent Application No. 60/519,307, was filed November 12, 2003, was filed November 26, 2003, for which a PCT patent application PCT/US04/37946 was filed November 12, 2004, and for which a U.S. Patent Application Serial No. 10/579,002 was filed.

The undersigned hereby authorizes assignee or assignee's representative to insert the Application Number and the filing date of this application if they are unknown at the time of execution of this assignment.

National Paintball Supply, Inc., a company, having a principal place of business at 570 Mantua Blvd. Sewell, New Jersey 08080, (hereafter referred to as the assignee), is desirous of acquiring the entire right, title and interest in said invention, all applications for and all letters patent issued on said invention.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, does hereby sell, assign and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest in said invention and all patent applications thereon, including, but not limited to, the provisional application for United States Letters Patent listed above, and all non-provisional applications for United States Letters Patent listed above and/or claiming the benefit thereof, the PCT application listed above and any patent applications claiming the benefit thereof, and any divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty.

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of the

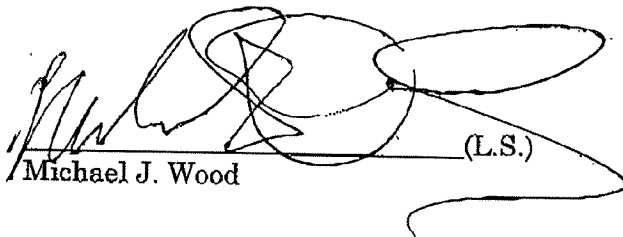

assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrants that the rights and property herein conveyed are free and clear of any encumbrance.

EXECUTED under seal on this 15th day of November, 2006 at 570 Morton Blvd Swell, NJ 08088
