PATENT ASSIGNMENT

THIS AGREEMENT dated the 1st day of September, 2006.

B E T W E E N:

STRONGCO INC., who principal place of business is 1640 Enterprise Road,
Mississauga, Ontario L4W 4L4,
(the "Assignor")

- and -

**STRONGCO LIMITED
PARTNERSHIP**, whose principal place of business is 1640 Enterprise Road,
Mississauga, Ontario L4W 4L4,
(the "Assignee")

WHEREAS, the Assignor is the owner of certain patents including those set forth more fully in Schedule A attached hereto and incorporated by reference herein including any and all inventions described therein, and in any and all continuations-in-part, continuations, divisions, substitutes, re-issues, re-examinations, or extensions thereof, and all other applications for patent relating thereto which have been filed, or hereafter shall be filed, in Canada, the United States or in any other jurisdiction and further including all rights under treaties to file and prosecute patent applications corresponding to the preceding patents and patent applications (the "Patents");

WHEREAS, the Assignee, pursuant to a General Conveyance dated the 1st day of September, 2006, has acquired the entire right, title and interest in and to the Patents and wishes to confirm its ownership of the right, title and interest in and to the Patents;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor confirms that it has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer to the Assignee and its successors and assigns:

- (i) Assignor's entire right, title and interest in Canada, the United States and throughout the world to the Patents;
- (ii) all of Assignor's corresponding right, title and interest in and to any Patents which may issue therefor, the same to be held and enjoyed by Assignee to the full end of the term for which the said Patent is granted and maintained, as fully and entirely as the same could have been held and enjoyed by Assignor, and;

- (iii) the right to take action and recover in respect of any infringement of the Patents that took place prior to the Effective Date of this Assignment.

AND the Assignor hereby authorizes the issuance of any and all registrations for the Patents to the Assignee, its successors, assigns or legal representatives;

AND the Assignor, on behalf of itself, its successors, assigns and legal representatives, hereby covenants and agrees, without further consideration, to do all such lawful acts and things and to execute such further lawful assignments, documents, assurances, applications and other instruments as reasonably may be required by the Assignee, its successors, assigns or legal representatives, to obtain any and all registrations for the Patents and to vest the same in the Assignee, its successors, assigns or legal representatives;

AND the Assignor hereby agrees to execute and sign all documents required to effect a recordation of the assignment of the Patents and registrations thereof before the proper office or agency;

AND this Assignment shall be effective as of the 1st day of September, 2006.

IN WITNESS WHEREOF, the Assignor and the Assignee have executed this patent assignment at Toronto, Ontario as of the date first written above.
