ASSIGNMENT

WHEREAS, Wayne L. Poll, of the City of New Albany and State of Ohio, is an assignee of certain new and useful SURGICAL SUTURE MATERIAL for which was filed a U.S. Utility Patent Application, Ser. No. 08/029,847 on March 11, 1993 (the "Application"), for which U.S. Utility Patent No. 5,454,834 issued on October 3, 1995;

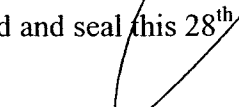

WHEREAS, Minimally Invasive Devices, LLC, an Ohio limited liability company, with a place of business at 1275 Kinnear Road, Columbus, Ohio 43212 (hereinafter "MID"), is desirous of acquiring the entire right, title and interest in and to said Application and the inventions therein disclosed, and any non-provisional U.S. and/or foreign patent applications, including International (PCT) applications, claiming the benefit thereof, and any letters patent that has issued or may issue thereon;

NOW, THEREFORE, in exchange for valuable consideration, receipt of which is hereby acknowledged, Wayne L. Poll hereby sells, assigns and transfers unto MID, its successors and assigns, his entire right, title and interest in and to said Application, and the inventions and designs therein disclosed, and any improvements thereon, and any patent or patents that have issued or reissued, or that may be issued or reissued on such domestic or foreign patent applications, including International (PCT) applications, and any divisions or continuations of such domestic or foreign patent applications, and Wayne L. Poll hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any patent resulting from such domestic patent applications and any continuations, divisions, and/or reissues thereof, to MID, its successors and assigns; and Wayne L. Poll hereby authorizes MID, its successors and assigns, to file in its own name applications for patent in foreign countries in connection with the inventions and designs hereby transferred, under the International Convention claiming priority of said Application or otherwise, and to secure in its own name patent or patents issued thereon; and Wayne L. Poll hereby agrees that, upon request, he will sign all papers, and make all rightful oaths, and do all acts which MID, its successors or assigns, may consider necessary in connection with said Application, and in connection with any other United States or foreign patent applications, including International (PCT) applications, that may be filed in connection with said inventions and designs, and with any improvements thereon, and in connection with any patents issued or reissued thereon.
