**ASSIGNMENT**

WHEREAS, we, **James E. McGuire, Jr. of 34 West Poplar Street #401, Columbus, OH 43215, U.S.A., and Andrew C. Strange of 1171 Ridgedale Drive East, Worthington, OH 43085, U.S.A.,** hereinafter referred to as the Assignors, are the inventors of certain new and useful subject matter for which an international patent application, entitled "**Braid-Reinforced Composites and Processes for Their Preparation**" and claiming priority to U.S. Provisional Patent Application No. 60/721,401, filed on September 28, 2005, and U.S. Provisional Patent Application No. 60/820,098, filed on July 21, 2006, was filed on September 27, 2006 and assigned PCT Patent Application No. PCT/US06/37881;

WHEREAS, **ENTROTECH COMPOSITES, LLC**, hereinafter referred to as the Assignee, of **1245 Kinnear Road, Columbus, OH, 43212, U.S.A.,** and with a principal place of business in **Ohio**, is desirous of acquiring the entire right, title and interest in and to said new and useful subject matter and in and to said application, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries;

NOW, THEREFORE, in consideration of the sum of one U.S. dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we, the Assignors, do hereby sell, assign, and transfer to the Assignee, the entire right, title and interest in and to said new and useful subject matter and said application and any and all continuations, divisionals, renewals and substitutes of said application, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in the United States and any and all other countries, and any reexamination, reissue, or extension of said Letters Patents, and assign to and authorize the Assignee, to file in our name applications for Letters Patent in all countries, the same to be held and enjoyed by said Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us had this assignment not been made;

WE HEREBY covenant that we have full right to convey the entire interest herein described and that we have not executed and will not execute any agreement in conflict herewith, and we further covenant and agree that we will, each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said new and useful subject matter, said application, and said Letters Patent to said Assignee, its successors, assigns, nominees, or legal representatives, and we agree to communicate to said Assignee or to its nominee all known facts respecting said new and useful subject matter, said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers, to make all rightful oaths and declarations, and generally to do everything possible to aid said Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its own benefit proper patent protection for said new and useful subject matter in any and all countries; and

WE HEREBY authorize and request the Commissioner for Patents of the United States Patent and Trademark Office and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to said Assignee, as assignee of the entire right, title and interest, any and all Letters Patent for said new and useful subject matter, including any and all Letters Patent of the United States which may be issued and granted on or as a result of the aforesaid application, in accordance with the terms of this legal document.
