ASSIGNMENT

WHEREAS, I:

JERRY EDWARD CARSTENS of 7451 Wetherington Drive, West Chester, OH 45069,

have made certain new and useful inventions as set forth in the United States patent applications listed in the attached Appendix A.

Now for good and valuable consideration, the receipt of which is hereby acknowledged, I assign to RUSL, LLC, a limited liability company organized and existing under the laws of North Carolina, its legal representatives, successors and assigns, the entire right, title and interest, including the right to claim priority of the filing dates of said patent applications under international conventions, in said inventions as set forth in said patent applications, including any divisional, continuation, continuation-in-part, continued prosecution, or provisional applications thereof, and in all patents, including any reissued, reexamined, or extended patents thereof, of the United States and of any foreign country which may be issued for said inventions, as fully and completely as the same would have been held by me had this assignment not been made. The entire right, title and interest shall vest irrevocably in RUSL, LLC. I further agree upon request, without additional compensation but at no expense to me, to execute or assent to foreign applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to RUSL, LLC, its legal representatives, successors and assigns, or as said RUSL, LLC may direct.

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said inventions to said RUSL, LLC, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said patents and the inventions covered thereby.

JERRY EDWARD CARSTENS
