AND WHEREAS, PACKAGING Technologies & Inspection LLC, also known as PTI, of 145 Main Street, Tuckahoe, NY 10707, USA, hereinafter, the Assignee, is desirous of acquiring the entire right, title and interest in and to the Invention within the United States of America and its territorial possessions and all foreign countries and any United States or foreign LETTERS PATENTS that may be granted therefor.

NOW, THIS INDENTURE WITNESSETH, That for and in consideration of the sum of Ten Dollars, in hand paid to us, and other good and valuable consideration, the receipt whereof is hereby acknowledged, WE have assigned, sold and transferred, and do hereby assign, sell and transfer to the Assignee the entire right, title and interest in and to the Invention, within the United States of America and its territorial possessions and all foreign countries, and in and to said application for LETTERS PATENT of the United States, and in and to all other applications for LETTERS PATENT for the Invention in all other countries, and in and to all divisions and continuations of any of said applications, and in and to any LETTERS PATENT of the United States and foreign countries and all reissues and extensions thereof that may be granted, and the right to apply for LETTERS PATENT in foreign countries with full benefit of such priorities as may now or hereafter be granted to us by local laws or by treaty, including any international convention, for the protection of industrial property, together with the right to extend the protection for said U.S. LETTERS PATENT to the various territorial possessions now owned or which may be hereafter acquired by the United States of America, all said rights to be held and enjoyed by the Assignee for its own use and behoof, and for the use and behoof of its successors or assigns, to the full end of the respective terms for which said LETTERS PATENTS may be granted, as fully and entirely as the same would have been held and enjoyed by us if this assignment sale had not been made.
