**ASSIGNMENT**

This assignment is made by **Patrick D. Williams** Assignor, to **Kickin' A Packs 'N Stuff, Inc.**, Assignee, having a place of business at **3379 Meg Court, Simi Valley, California 93063.**

WHEREAS, Assignor has invented a new and useful invention entitled **PACK FOR CARRYING A GUN** for which an application for United States Letters Patent

was filed on **May 2, 1994** and given Application No. **08/237,255 which has been issued as United States Patent No. 5,505,355 on April 9, 1996**

is being filed herewith; and

WHEREAS, Assignor believes himself to be the original, first and sole inventor of the invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, said application, all subsequent related applications, and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and of other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, the entire right, title and interest in and to said invention, said application, said subsequent related applications, and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights in which such applications are entitled under international conventions, treaties, or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention, all said applications, and any Letters Patent granted for said invention in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed utility, division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as to the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on this  
13 day of December, 2006.

ASSIGNOR,

  
Patrick D. Williams

State of California )  
County of Ventura ) ss

On this 13 day of December, 2006, before me personally  
appeared Patrick D. Williams, personally known to me or proved to me
