ASSIGNMENT

For valuable consideration, the receipt and adequacy of which is hereby acknowledged and in fulfillment of our pre-existing obligation of assignment, I/we, Jon Leist and Robert Marchiando sell and assign to Momentive Performance Materials Inc. ("Company"), a corporation organized and existing under the laws of the State of Delaware in the United States of America, its successors and assigns the entire right, title and interest in and to the improvements "Wear Resistant Low Friction Coating Composition, Coated Components, and Method for Coating Thereof" invented by us, and any and all applications for patent and patents therefore in any and all countries, including all divisions, reissues, continuations and extensions there of, and all rights of priority resulting from the filing of any previously filed patent application with the same or similar subject matter, and authorize and request any official whose duty it is to issue patents, to issue any patent on said improvements or resulting therefrom to said Company or its successors or assigns and agree that on request and without further consideration, but at the expense of said Company, I/we will communicate to said Company or its representatives or nominees any facts known to us respecting said improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said Company, its successors, assigns, and nominees to obtain and enforce proper patent protection for said improvements in all countries.
