ASSIGNMENT

WHEREAS, Ming-Chang CHEN, residing and having a residential address at No. 48, Huan Kung Road, Yung Kang City, Tainan Hsien, Taiwan (hereinafter called the "Assignor"), is the owner of the certain right, title, and interest in and to inventions or improvements in:

Title: **HELMET**

Application Execution Date: September 26, 2000 Filing Date: October 9, 2006

Application No.: 29/249,488

WHEREAS, CO-UNION INDUSTRY., LTD., a corporation organized and existing under the laws of Taiwan, having a place of business at No. 48, Huan Kung Road, Yung Kang City, Tainan Hsien, Taiwan (hereinafter sometimes called the "Assignee"), is desirous of acquiring Assignors' right, title, and interest in and to said invention, to the application above identified, and in, to, and under Letters Patent that may be obtained for said invention, and to other applications or patents covering said invention, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged by Assignors, Assignors have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto Assignee the entire right, title, and interest for the United States in and to the invention and application hereinabove identified, and in and to any and all nonprovisional, divisional, continuation, continuation-in-part, reissue or reexamination

applications, and in and to any Letters Patent of the United States that may issue (or reissue) for said invention on any one or more of said applications, together with the entire right, title and interest in and to said invention and related or counterpart applications for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including the right to claim priority under the International Convention for the Protection of Industrial Property and other agreements and treaties of like purpose; to have and to hold for the sole and exclusive use and benefit of Assignee, its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent for said invention may issue.

And Assignors do hereby covenant and agree, for themselves and their legal representatives, that they will assist Assignee in the prosecution of any of the applications herein referred to; in the making and prosecution of any other applications for Letters Patent that Assignee may elect to make covering the invention herein referred to, including any nonprovisional, divisional, continuation, or continuation-in-part application; or any application to reexamine or reissue any patent referred to herein; in vesting in Assignee exclusive title in and to all applications and Letters Patent referred to herein; and in the prosecution of any interference, infringement or other action which may arise involving said invention or any claim thereto or thereunder, or any application or Letters Patent herein referred to; and they will execute and deliver to Assignee any and all additional papers which may be requested by

Assignee to vest title in Assignee in the United States and in countries foreign thereto, and will otherwise fully carry out the terms of this agreement.

And the Commissioner of Patents and Trademarks is hereby authorized and requested to issue Letters Patent to Assignee in accordance with the terms of this Assignment.

Assignors hereby authorize and request the attorneys of record in the application bearing the abovementioned docket number to insert in this assignment the U.S. application number of said application when officially known, if applicable.

IN WITNESS WHEREOF, the undersigned representative of Assignors, being properly authorized to execute this Agreement, hereunto set their hand and affixed their seal.

Dated: Dec. 19, 2006
