CONFIRMATORY ASSIGNMENT

ASSIGNOR: Eugene J. Alexander  
Thomas P. Andriacchi  
Philipp Lang  
Sandy A. Napel

ASSIGNEE: The Board of Trustees of The Leland Stanford Junior University  
Office of Technology Licensing  
1705 El Camino Real  
Palo Alto, California 94306

STATE OF INCORPORATION OF ASSIGNEE: California

INVENTION: Assessing the Condition of a Joint and Preventing Damage

ATTORNEY DOCKET: 3104/105

SERIAL NO: 09/882,363

FILED: June 15, 2001

Assignor is a joint inventor of the above invention (the "Invention") described in a United States patent application (the "Application") bearing the above attorney docket number and having as a title the above name for the Invention. The Application has a Patent and Trademark Office filing date and serial number as indicated above. An original assignment was recorded on December 31, 2001 at Reel 012410/Frame 0835 with respect to the above-referenced application. A corrective assignment was recorded on October 18, 2006 at Reel 018406/Frame 0049 with respect to the above-referenced application.

For valuable consideration, receipt of which is acknowledged, the Assignor hereby assigns to Assignee (which term shall include Assignee's successors and assigns), all of Assignor's right, title and interest in the Invention, all improvements therein, the Application and all priority rights arising therefrom, and any patents, and any reissues and extensions thereof, which issue in any country upon any patent applications which correspond with any of the

following: the Application, any divisional, continuation-in-whole, or substitute United States application which is based on the Application; or any continuation-in-part United States application (including divisions, continuations-in-whole or -in-part, and substitutions thereof or therefor) based in-part on any of the above described applications.

The Assignor further agrees that such Assignor and Assignor's heirs and legal representatives will, without further consideration, cooperate with Assignee in the prosecution of all of the above applications, execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues and extensions therefor, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the Invention, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee. The Assignor further agrees that such Assignor will, without further compensation to Assignor during the term of such Assignor's employment by Assignee and thereafter for reasonable compensation as determined by Assignee, perform such other acts as may be reasonably required when requested by Assignee, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee.
